

# Web Committee

---

The online resources of *openEHR* include:

- the website
- the mailing lists (including archives)
- the wiki (Confluence )
- the issue tracker (Jira)

Quite a lot of work goes into the maintenance and development of these resources, including linguistic translation of the web site.

The team:

Role	Who
website content, structure, URI design etc	Thomas Beale (UK) Rong Chen (Sweden) Sam Heard (Australia) Heather Leslie (Australia) Helma van der Linden (The Netherlands) Erik Sundvall (Sweden)
